

INTERNAL RULES – OUTPATIENT PART OF THE ISCARE a.s. clinic

These measures are in accordance with Act No. 372/2011 Coll. on the Provision of Health Services and the Conditions of Their Provision, as amended. The purpose of these measures is to ensure the proper operation of the health service provider and to familiarize persons moving in the ISCARE premises with their rights and obligations.

Every patient has the right to respect, dignified treatment, consideration and respect for privacy when providing health services. It is the duty of patients to behave decently to healthcare professionals, to respect their instructions, to behave decently and considerately to other patients or their companions. Each patient is obliged to familiarize themselves with the Internal Rules before treatment.

Opening hours and ordering

Surgery and operating hours are published on the www.iscare.cz website. Make an appointment for an examination in our offices in advance, by phone between 7:00 a.m. and 3:30 p.m. (Mon-Fri), in person at the relevant reception at the same time, by e-mail at recepce@iscare.cz or via the contact form at www.iscare.cz. Telephone numbers can be found on the www.iscare.cz website and on request at receptions, outpatient clinics/examination rooms.

The agreed date of the examination is binding and if you cannot come for the examination, you are obliged to cancel the appointment by phone, e-mail or in person at least 24 hours in advance. An unexcused absence from an ordered examination date is a violation of these Internal Rules. Repeated unexcused absences may be a reason to terminate the provision of health care in ISCARE.

Waiting room and reception

You can access the ISCARE building through the main reception, where you will receive an access card to the relevant workplace. Upon arrival at the relevant office, you are obliged to report to the reception and present your identity document, a valid insurance card, or a request from a doctor. Based on your identification data and filling in the Record of the patient's consent to the provision of information about his/her health condition (during the first visit), you will be given your PIN for communication. You are required to show your PIN when making a telephone inquiry to the results of the examination, or serves as a password to open the sent e-mail attachment with personal and sensitive data.

Do not leave your personal belongings in the waiting room, but always take them with you to the doctor's office. Before entering turn off your mobile phone or turn off the ringer for the doctor's office. You are invited to the office according to the possibilities at the time for which you have been booked. We try to keep the appointment times, but each patient needs individual care, which cannot be precisely limited in advance. Therefore, please excuse any delay.

Care covered by public health insurance and care not covered by public health insurance is provided at the workplaces from health insurance. The price list of services not covered by health insurance is available in the waiting room and on the www.iscare.cz. Payment is possible in cash or via a payment terminal.

Consent to the provision of health services

You usually confirm your consent to the provision of health services verbally. In cases where a medical facility requires a written Informed Consent for certain procedures, you are duly instructed and you confirm the provision of information by signing an informed consent.

Patients who do not speak and understand Czech or English are obliged to come for treatment with an interpreter. If they do not do so, they cannot be treated. A health care facility may terminate the provision of
